

## SCIENTIFIC COMMITTEE

**Latifa LATROUS** (Chair)  
IPEIEM - Tunis, University of Tunis El Manar, Tunisia

**Abdelhamid SAYARI**  
uOttawa University, Ottawa, Canada

**Sami LAKHDAR**  
University of Toulouse, Toulouse, France

**Olfa KANOUN**  
Chemnitz University of Technology, Chemnitz, Saxony, Germany

**Louis FENSTERBANK**  
Collège de France, Paris, France

**Hichem Ben JANNET**  
FSM - Monastir (Dean), University of Monastir, Tunisia

**Abdelhamid ELAISSARI**  
Claude Bernard University, Lyon 1, France

**Adel MEGRICHE**  
FST - Tunis (Dean), University of Tunis El Manar, Tunisia

**Carlo SANTULLI**  
University of Camerino, Camerino, Italy

**Thouraya BARHOUMI SLIMI**  
ISSTE - Borj Cédria, University of Carthage, Tunisia

**Mohamed DAMMAK**  
FSS - Sfax, University of Sfax, Tunisia

**Guillaume BERIONNI**  
University of Namur, Namur, Belgium

**Béchir CHAOUACHI**  
ENIG - Gabès, University of Gabès, Tunisia

**Houcine AMMAR**  
FSS - Sfax, University of Sfax, Tunisia

## ORGANIZING COMMITTEE

**Latifa LATROUS**  
IPEIEM, University of Tunis El Manar

**Adel MEGRICHE**  
FST, University of Tunis El Manar

**Semy Ben CHAABENE**  
FST, University of Tunis El Manar

**Amine MNIF**  
FST, University of Tunis El Manar

**Mohamed Mehdi RAMMEH**  
FSM, University of Monastir

**Imen ABDELHEDI**  
FST, University of Tunis El Manar

**Halim HAMMI**  
CNRS, University of Carthage

**Nizar BELLAKHAL**  
INSAT, University of Carthage

**Ridha Ben SALEM**  
FSS, University of Sfax

**Younes MOUSSAOUI**  
FSG, University of Gafsa

**Rym ABIDI**  
FSB, University of Carthage

**Hatem MAJDOUB**  
FSM, University of Monastir

**Mustapha HIDOURI**  
ISSAT, University of Gabès

**Mohamed Mouldi ABDELKEFI**  
FST, University of Tunis El Manar

**Imed LAAJIMI**  
Tunisian Chemical Society

## Location and Venue

All activities of the Conference will be held at Iberostar Diar El Andalous Hotel in El Kantaoui area, located in the wonderful touristic resort of Sousse region. Welcoming participants, distribution of documents and check in will start on Sunday 20 December 2026 from 14.00 to 17.00. Check out will be on Wednesday 23 December 2026 after lunch.

## Registration

To register, please fill in the form available on :  
<https://event.sctunisie.org/tcc2026/>

## Important Dates

## WELCOME

The Tunisian Chemical Society is pleased to welcome you to the **23<sup>rd</sup> Tunisia Chemistry Conference (TCC 2026)**, which will be held from 20 to 23 December 2026 at the **Iberostar Diar El Andalous Hotel, El Kantaoui, Tunisia**.

As the flagship scientific event of the *Tunisian Chemical Society*, **Tunisia Chemistry Conference** has become a premier forum for researchers, academics, industry professionals, and students to share achievements, exchange ideas, and foster meaningful collaborations. Over the years, the conference has become a cornerstone for scientific dialogue and networking within the chemistry community, while increasingly strengthening its international dimension.

**TCC 2026** will feature plenary lectures by distinguished scientists, alongside oral and poster sessions highlighting advances in fundamental and applied research. The program aims to foster interdisciplinary discussions, promote innovation, and encourage new collaborations.

Beyond science, the conference offers opportunities to strengthen existing partnerships, inspire young chemists, and expand professional networks. We warmly welcome early-career researchers and students, whose creativity and commitment are essential to the future of our discipline.

We extend sincere gratitude to our invited speakers, sponsors, partners, members of committees, and participants for making this conference possible. May your stay be productive, inspiring, and enriched by Tunisia's hospitality, history, and Mediterranean charm.

We look forward to welcoming you to **TCC 2026** and wish you every success throughout the conference.

## TOPICS

1. Organic Synthesis, Catalysis & Molecular Design
2. Medicinal, Bioorganic & Natural Products Chemistry
3. Materials Chemistry & Solid-State Science
4. Polymer Science & Soft Matter
5. Physical, Theoretical & Interfacial Chemistry
6. Advanced Analytical Chemistry & Characterization Techniques
7. Sustainable Chemistry, Energy & Environmental Systems

## PROGRAM

The program of the Tunisia Chemistry Conference **TCC 2026** includes:

- Invited lectures (35 minutes)
- Oral communications (15 minutes)
- Posters presentation

The program will be available from the TCC 2026 Conference website.

A PDF Proceedings containing all the conference abstracts and papers will be available for download from the dedicated website. Authors are required to provide a summary on a **single A4 page** in MS-Word format (**No PDF please**) according to the following instructions (A template model is available for download on TCC 2026 website):

- ✓ **Language:** Abstracts must be submitted in English.
- ✓ **Margins:** Superior: 4 cm, both sides and bottom: 2.5 cm.
- ✓ **Font typeface :** Times New Roman and line spacing of 1.5 for the whole abstract.
- ✓ **Title:** 14, centred, bold.
- ✓ **Authors' names:** 12, centred, with presenting author's name underlined.
- ✓ **Authors' affiliation:** 10, centred, italic.
- ✓ **Text:** 12, justified.

## POSTERS PRESENTATION

Posters should be 1.20 m high and 0.90 m wide. Abstracts of posters will be numbered and listed in the final program. Different sessions will be held for poster presentations. Authors are requested to be next to their posters during the official poster sessions.

## REGISTRATION AND PARTICIPATION FEES

To register, please fill in the form available on  
TCC 2026 website

**Deadline for registration and abstracts submission**  
(Registration form will be disabled)  
**10 November 2026**

Participants of TCC 2026 with oral and/or poster communication(s) will be asked to upload their file(s) during online registration.  
Abstracts send by email are no longer accepted.

### Participants from inside Tunisia

|                                                                                  |                    |
|----------------------------------------------------------------------------------|--------------------|
| Members of TCS                                                                   | 890 TND            |
| Non-members of TCS                                                               | 1100 TND           |
| Accompanying Person (Double occupancy room)                                      | 600 TND            |
| Single room Supplement                                                           | 140 TND/Night      |
| Optional Single-night Accommodation<br>— Accompanying Person (Dble Occup. Room)— | 390 TND<br>200 TND |

### Participants from outside Tunisia

|                     |       |
|---------------------|-------|
| Participant         | 450 € |
| Accompanying Person | 300 € |

## INVITED SPEAKERS

**Abdelhamid SAYARI**  
uOttawa University  
Ottawa, Canada

**Olfa KANOUN**  
Chemnitz University of Technology  
Chemnitz, Saxony, Germany

**Sami LAKHDAR**  
University of Toulouse  
Toulouse, France

**Louis FENSTERBANK**  
Collège de France  
Paris, France

**Abdelhamid ELAISSARI**  
Claude Bernard University  
Lyon 1, France

**Carlo SANTULLI**  
University of Camerino  
Camerino, Italy

**Guillaume BERIONNI**  
University of Namur  
Namur, Belgium

Members of the Tunisian Chemical Society (academics and industrialists) are required to pay the TCS membership fee (20 TND) for the 2025-2026 term.
